

**The Florida Department of Transportation (FDOT) has scheduled the third I-75 Relief Agency Coordination Meeting**

The third I-75 Relief Agency Coordination Meeting will be held on Wednesday, June 8, 2016 from 9:00 a.m. to 12:00 p.m. at the Hilton Ocala, Conference Center, located at 3600 SW 36th Avenue, Ocala, Florida 34474.

The I-75 Relief Agency Coordination Meeting is being conducted to share information on the work of the I-75 Relief Task Force to date and gather feedback on their draft recommendations, including the evaluation approach and framework for enhanced and new high-speed, high-capacity transportation corridors in the study area. A public comment period will begin at approximately 11:00 am.

FDOT initiated the I-75 Relief Task Force to provide recommendations for maximizing existing and developing new high-capacity transportation corridors to serve the Tampa Bay to Northeast Florida area, with initial emphasis along and to the west of I-75. The Task Force's draft recommendations include a framework of options for future studies including opportunities to enhance I-75, U.S. 41, and U.S. 301, as well as long-term opportunities for potential new corridors. Additional information about the project is available on the project website at [www.i75relief.com](http://www.i75relief.com). All meeting information and materials will be posted on the website as they become available.
