INDIVIDUAL DISCUSSION SESSION

The Department of Transportation sincerely thanks all Industry Forum participants for their attendance at this event, which is important for furthering our common goal of improving transportation within the State of Florida. Through the collection and implementation of new ideas and critical commentary on existing practices, the Department intends to improve and accelerate the delivery of transportation projects for the benefit of Florida's citizens and visitors.

The person or entity identified below has agreed to meet with the Department of Transportation to share ideas, concepts, or comments that might lead to transportation improvements for the benefit of the general public. Accordingly, in return for the opportunity to participate with the Department in an individual discussion session, the following shall apply.

The undersigned expressly waives and will not pursue or assign any claims against the Department of Transportation or third parties with respect to any of the information, concepts, or ideas that the undersigned discloses to the Department.
